## EDUCATION

### Redmond High School

Redmond, WA

- 4.0 GPA (unweighted)

## SUMMARY

Diligent and detail-oriented student with a strong foundation in front-end development, graphic design, and user experience. Eager to apply creative and technical skills to make a positive impact on others, and committed to pursuing further learning and growth.

---

## EXPERIENCE

### Design Lead

2022-Present

#### Redmond Code Association

- Led the design strategy for social media graphics, banners, flyers, event branding, and merchandise.
- Directed visual campaigns that contributed to reaching 6,500+ students across 32+ events, and the collection of 4,300+ pounds of e-waste through sustainability drives.

### Director of Design

2023-Present

#### Future Scholar Foundation

- Designed promotional materials, digital illustrations, and professional website that engaged 6,800+ students across 16 events.
- Illustrated 32 digital artworks for a published short story compilation book of competition winners.

### Lead Teacher's Assistant

2021-2024

#### CS Wonders LLC

- Supervised and coordinated a team of 10+ teaching assistants for lessons and activities.
- Designed and led Python and Java lab sessions for 20+ students in grades 6–12.
- Graded assignments and delivered personalized 1-on-1 feedback to support student learning.

---
